

Hi Bob, thanks for your call.

I have to tell you the excursion that we took aboard your vessel this past July was memorable and invigorating.. The true definition of teamwork was exemplified... Wow what an experience to see all of us working together for a common goal.. I have recommended your experience to many of my friends and colleagues.. You have a product and service that leaves you thirsting for more...

I still have all the participants commenting on that day long excursion, and asking when can we go again.. I will need to book your ship for early July again... I hope you still have some dates available.

Cheers!

Have a marvelous day!
